# Holiday Shop Wish List

**We need your help to make the holiday season magical for the families we serve.**

The Holiday Shop is a place where families can check everyone off their holiday gifting list without battling long lines or sold out shelves. Kids can pick out gifts for parents, parents can get gifts for their kids and other family members - all at NO charge thanks to generous donations from our community! The shop is open from mid-December through New Years for all the families that are staying at the Ronald McDonald House. We also set up a mini-version at the Ronald McDonald Family Room at Essentia Health. Whether it's the financial realities of having a sick child that make the holiday season challenging, or simply finding the time and energy to shop, our goal is to make sure that families are able to enjoy the magic of the season while focusing on what matters most - getting their child healthy and home!
